

# Arthritis, Back Pain or Sports Injury?

## GET RELIEF WITH STEM CELLS AND PRP!

[www.OrthoBIOLOGIX.com](http://www.OrthoBIOLOGIX.com)

Inspired by **BIO-INTELLIGENCE ONSITE SEMINARS**

### About iOrthoBIOLOGIX™

We are an Innovative Orthopedic, Sports Medicine, and Spine Care Medical Practice specializing in **ultra-minimally-invasive, Bio-Restorative Stem Cell and Growth factor (PRP) treatments** to those with arthritis, back pain or sports injuries

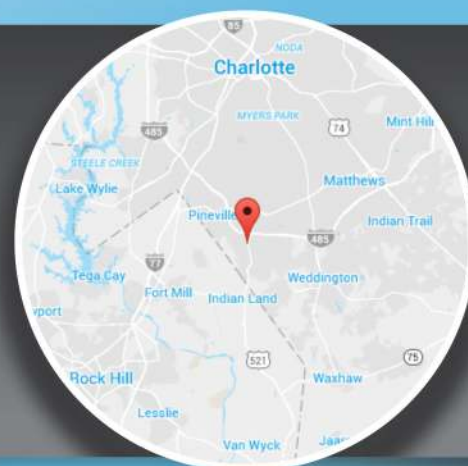

### Who Should Attend

Men and women of all ages with **Arthritis, Back Pain or Sports Injuries.**

### Why You Should Attend

- Have arthritis, back pain or a sports injury that is affecting your life.
- Seeking an alternative or compliment to surgery or an alternative to traditional pain treatments and medications.
- Interested in learning about a treatment focused at getting to the source of what is causing your pain and bio-restoring the area using Stem cell and/or Growth factor (PRP) treatments from you body to improve your pain, function and quality of life.
